

The leadership of the **Fox School of Business** program knows you are an out-of-the-box thinker with unique needs and a hectic schedule and we understand you want to leverage your upcoming graduate business degree toward the right next step. We have partnered with Meridian Resources, Inc., a national career management firm, to provide you with top-notch, results-driven executive coaching. Services are conveniently delivered by phone, e-mail, and video-conference, enabling you access virtually anywhere you want and anytime needed.

You will be partnered with a Meridian coach who knows business from experience as an insider, bringing insight and longtime career coaching expertise to you. Your Meridian Coach will partner with you to launch your unique brand toward your next step, inside or outside your present company. Meridian works with the leadership in world-class companies every day. They know what employers are seeking and what you need to know to be successful. They help you crack the code.

To complement your coaching, you are eligible to access an assessment to discover your business traits. During a debrief with your coach, you will incorporate the assessment findings toward a path of achieving your career goals. Additionally, you are eligible to receive **Suitable credit** by completing this assessment process.

How it works . . .

An effective coaching partnership is a blend of your personal investment and key deliverables provided by your coach to help you optimize your career strategy. Register for services and you will be partnered with a **Personal Executive Career Coach** who will facilitate the development, launch, and execution of a strategy to meet your specific goals.
